

The Madison Civics Club was formed in 1912 to encourage civic engagement and thoughtful discussion of the social issues of the day. We offer a lecture-luncheon series highlighting inspiring national and local speakers. We invite and honor outstanding citizens and youth groups, and we welcome everyone to join us.

The Madison Civics Club Youth Grant program celebrates its eleventh year of community outreach to student and other youth groups throughout Dane County. School- or community-based organizations involved in worthy service activities are invited to apply for financial grants to support their work. Youth Grant recipients are invited to the Saturday luncheon meetings with their advisors to hear national and international speakers in areas of their interest. Both the students and Civics Club members have benefited from inter-generational discussions around the luncheon tables. Youth groups are also included in a reception prior to the luncheon, giving them an opportunity to interact with the guest speaker and MCC board members. The Youth Grant program is primarily supported by our MCC membership and anonymous donors, with the additional support of financial grants, most recently from American Family Insurance and Culver's VIP Foundation.

The application for Youth Grants is available on the Madison Civics Club website.

Awards of up to \$1000 will be given. If your application is chosen for an award, the club requires that a group of your students and an adult chaperone will attend the club meeting. Meetings are held on Saturdays, and the group will be at the meeting from the 10 a.m. reception through the speaker's question and answer period ending at about 1:00 p.m. Names of the students and chaperones attending and any dietary restrictions with the luncheon must be provided to Deanna Fischer 10 days prior to the meeting.

1. At the Madison Civics Club meeting when your group is honored, a student will give a one-minute acknowledgment of the grant and briefly state how the funds will be used. This statement will be submitted to the Youth Grants co-chairs one week prior to the meeting in which the group will be honored.
2. By June 1, 2017, your group will be required to submit a final written report to Madison Civics Club on how the funds received were used. In accordance with IRS rules, this report must include:
 - Original proposal
 - Summary of exactly how the award was used.
3. An old-fashioned hand-written thank you is not required, but is appreciated. Also, your grant may be chosen as a sample on the Madison Civics Club website, which is further recognition for your group.
