

**The Madison Civics Club** was formed in 1912 to encourage civic engagement and thoughtful discussion of the social issues of the day. We offer a lecture-brunch series highlighting inspiring regional and local speakers. We invite and honor outstanding citizens and youth groups, and we welcome everyone to join us.

The Madison Civics Club Youth Grant program celebrates its thirteenth year of community outreach to student and other youth groups throughout Dane County. School- or community-based organizations involved in worthy service activities are invited to apply for financial grants to support their work. Youth Grant recipients are invited to the Saturday brunch meetings with their advisor to hear renowned speakers in areas of their interest. Both the students and Civics Club members have benefited from inter-generational discussions around the brunch tables. The Youth Grant program is primarily supported by our MCC membership and anonymous donors.

**The application for Youth Grants is available on the Madison Civics Club website.**

Awards of up to \$500 will be given. If your application is chosen for an award, the club requires that representatives from your student group and an adult chaperone attend the club meeting. Meetings are held on Saturdays, and your representatives will be at the meeting from the 9:00 a.m. registration through the speakers' question and answer period ending at about 11:45 a.m. Names of the students and chaperone attending and any dietary restrictions with the brunch must be provided to the Youth Grants chair ten (10) days prior to the meeting.

1. At the Madison Civics Club meeting when your group is honored, a student will give a one-minute acknowledgment of the grant and briefly state how the funds will be used. This statement will be submitted to the chair, Trish Iaccarino, a week prior to the meeting in which the group will be honored.
2. By June 1, 2020, your group will be required to submit a final written report to Madison Civics Club on how the funds received were used. In accordance with IRS rules, this report must include:
  - Original proposal
  - Summary of exactly how the award was used.
3. An old-fashioned hand-written thank you is not required, but is appreciated. Also, your grant may be chosen as a sample on the Madison Civics Club website, which is further recognition for your group.
